## Output Image

## Suggestions for Improvement:

### 1. Show Total Cost

Add a feature to show the total monthly and yearly cost, including any add-ons.  
Helps users know how much they will spend.

---

### 2. Compare Plans Side by Side

Let users compare 2 or 3 plans in a table.  
Makes it easier to choose the best one.

---

### 3. Remember User Info

Keep user details like age and needs for later chats.  
Saves time and gives a better experience.
